

Dear Sweetheart

Well I just got back from work. It sure would have been nice to have had someone greet me at the door. Oh well it won't be long before I'll be able to hold you in my arms and ask what we have for supper. I really did miss you today sweetheart. I don't know what I'll do if I can't bring you to Trinidad with me. I still haven't received any word from home so the only thing I can say is I'll do everything possible to get you down here.

Well honey I didn't finish this letter last night. We traveled back night so by the time I got back I went right to bed.

Today hasn't been the best I've seen. I had a wisdom tooth pulled today which believe me wasn't any fun at all. On top of that we worked 14 hours. I just got home a few minutes ago and am really beat so I'm going to close for now. I'll write tomorrow, OK. Goodnight sweetheart
