

Dear Jeanine

I received two letters from you today so I thought I'd better stop being so lazy and start writing. Especially after hearing you might sleep with one of your patients. I sure am glad it won't be long before I get to Kingsport so I can keep an eye on you. I'm just kidding, I trust you sweetheart. That is as long as you are over 2000 miles away. As soon as we are together again I won't. I'll be ??? and keep not only my eyes on you but both arms around you. I just don't trust these girls from Tennessee, at least that's the excuse I'll use if you should ask. However on second thought I might think of a few other reasons like I'd want you in my arms to make sure you are really there and won't be able to get away. I hope you don't mind but I plan on being real possessive once we get married.

Before I forget my parish back in San Antonio is St Mary magdalene, I want to make sure I got all of the required information to you so I can start to get possessive. Actually I haven't been doing a very good job of answering your questions but I hope to improve.

Well honey it is getting late in dear old Trinidad. I went bowling tonight and as usual we lost by a score of 3 to 1. Tomorrow the ?? is going to try out a couple of more missiles so it should be a big (and long) day. I'll try and write tomorrow so until the remember I love you with all of my heart. Goodnight

All my love
