Dear Jeanine

Well how are you today? I still feel a little under the weather, however I'm sure all I need to do is take it easy for a couple of days. There isn't much going on around here so I'll hit the sack early tonight.

Actually there isn't much news to report from around here. We have been running a lot of ??? lately so actually I haven't had much time to get into trouble. Of course you know I wouldn't get into any trouble even if I had a lot of free time.

By the way you should receive a package from New York some time this week. I'm sorry I can't be there in Person to give it to you, however I do want you to know that I send all of my love with the ring. Don't forget to let me know if you receive it. I hope you like it sweetheart. If it doesn't fit correctly see if it can be fixed in Kingsport and I'll send you the money.

I see in your last letter you are still worried about not being able to cook. Well I guess it's too late for me to change my mind so I'll just have to take my chances. Sure wish I would have found out earlier. Seriously I'm sure we won't starve so I don't think I'll worry about it – until after we are married.

Well Honey there isn't much news down this way so I'll close for now.

All my love  
Larry

P.S. I miss you sweetheart
