

Dear Jeanine

This will be a short letter since I have to go over to a friends house in about 15 minutes. Last night the people I work with gave me a going away party. Needless to say I had a good time but I feel a little under the weather today. I took my car down to be worked on today. The stupid thing cost me \$28. I've spent over \$50 on the thing since I came back from North Carolina.

Tomorrow I'm going to finish cleaning the base. The movers will be here by Friday to get my things so I have to pack tomorrow night. It seems like I have a million things to do in the next couple of days. I guess thats what I get for putting things off to the last minute.

I'm not sure but I may leave Rome ??? for good. I'll know tomorrow and will give you a call.

Well Hon, I'd better get a move on. I've been real good except for one to many drinks of scotch last night. I'll see you in about a week.

Love

Larry
