

Dear Sweetheart,

Congratulations I see you passed those state boards. I am sorry I wasn't there to help you celebrate, especially if you were drinking beer. You know actually I just wish I were there because I miss you more each day. Honey I give anything to be holding you in my arms right now. I only wish it were possible. Even though we aren't together I am happy you passed.

These last two days have been real busy down here, I have been the only air force person around so I've been getting all types of questions ranging from what to do with the grass cutters, to when will the system be working again. We went on the air today but nothing worked well so we will try again Saturday.

I just received a call from Major Mathis so I'm going to have to close for now. We have to go out to the airport and won't be back until about two o'clock. Something tells me I'm not going to feel like going to work tomorrow. You know how I like to sleep.

Sweetheart remember I love you with all of my heart. I'll try and write again tomorrow. Goodnight my darling.

All my love

Dear Sweetheart,

Congradulation. I see you passed those State Boards. I am sorry I wasn't there to help you celebrate especially if you were drinking beer. You know actually I just wish I were there because I miss you more each day. Honey I give anything to be holding you in my arms right now. I only wish it were possible. Even though we aren't together I am happy you passed.

I have been the only Air Force person around so I've been getting all types of questions ranging from what to do with the grass cutters to when will the system be working again. We went on the air today but nothing work well so we will try again Sat.

I just received a call from Maig
Maltis so I'm going to have to
close for now. We have to go
out to the airport and won't be
back until about two o'clock.
Something tell me I'm not going
to feel like going to work tomorrow.
You know how I like to sleep.

you with all of my heart.

I'll try and write again tomorrow.
