

Dear Jeanine

This is going to be a short letter because in 15 minutes I have to go to a going away party. I got a letter from you before I went to town so I looked around to see if there was anything you might like. In the process I bought you a saree. Now that I have it I don't know what you are going to do with it. I couldn't find a pink one so I got blue. It seems you need a petticoat and blouse to wear with it so if you don't have anything the night before and you think you might wear the ??? let me know and I'll get your the missing pieces.

It rained for a while this morning but turned out real nice this afternoon. I went boating with Major Mathis and tried to water skie. Everything went alright until I tried picking off one skie. I tried this three times without any luck.

Well honey Its about time for me to leave. I have to write such a short letter but I did want to let you know I was thinking about you. I won't get to mail this letter until tomorrow and will probably write another one by then but thats alright because I want to make sure you know I love and miss you very much.

Well sweetheart I have to run. Tell everyone hello for me. I wish you were going the party with me tonight. The moon sure us beautiful so all I need is a beautiful girl by the name of Jeanine in my arms. Have to close for now. Write soon.
All my love, Larry
