

Dear Jeanine

Just a few lines to let you know I'm thinking about you. I talked to the guy with the 1959 Consul (??) today and told him I would take it for \$1250. Im giving him \$750 cash and have to pay the balance by november 15. I figure I can easily do that since I have you working. Just kidding, I should have the Ford sold by then and even if I didn't I should still be able to make the payment.

I won't get the car until Sunday, but thats alright since I should have a Jeep to use on base until them. The reason I said "should" is the stupid thing won't start. I was using it today and had to get pushed twice. They have it at the motor poll now trying to fix it so tonight I'm using the staff car.

Well Honey not much else has happened down here. I didn't get any mail today and none comes in tomorrow so I'll have to wait until later to hear from you. Be sure and tell everyone hello for me. Also be sure and tell yourself that I still love you because I do. Write soon.

All my love
Larry
