

Dearest Christy

We wish you a very happy birthday. I am so sorry I have no pretty card to send you, so I have no change to go to the store. I am just getting over my first Cold & Papa has to stay home to watch the Mexicans as Uncle Edmund is going hunting this is the 1st day of the hunting season. We hope he comes home with a deer!

We hope you have a good time on your birthday, this your thirteenth year, and soon you will be Mamas only helper girl at home. I know you will miss your big sister after having her for ??? little time. I am sure you are excited about the wedding, you know you will have another big brother in the family.

Papa thinks about you a lot and the fun he had with you. He sends his love and I send my love & best wishes.
